GREATER BELOIT CHAMBER OF COMMERCE ANNUAL DINNER 3.7.23

KEYNOTE SPEAKER

Capt. Tim "Lucky" Kinsella, USN (Ret)

Captain Tim "Lucky" Kinsella, USN (Ret), is the Director of the Aylstock, Witkin, Kreis and Overholtz Center for Leadership at the University of West Florida. A Los Angeles native, Tim grew up in Ireland as the son of a publican, returning to the U.S. upon earning his Leaving Certificate at the Kings Hospital School in Dublin. Following enlistment to the U.S. Navy, service with the submarine service, acceptance into the United States Naval Academy and finally graduation

with merit, he earned his wings of gold as a Naval Aviator. He flew helicopters in support of humanitarian and operational missions throughout the globe, including several life-saving ocean rescues.

Captain Tim's numerous tours included his last assignment on active duty as Commanding Officer of Naval Air Station Pensacola. Here he led the base through a tragic terrorist attack, navigated the aftermath of a catastrophic hurricane and maintained consistency of operations for the training of sixty thousand personnel per year during a global pandemic.

Though honored to have accepted several prestigious awards, Tim's proudest accomplishment was creating "STARBASE Pensacola" - a STEM-based learning center on board NAS Pensacola, for all Title One fifth-graders in two Florida counties. Graduates from the program have increased academic STEM grades by an average of 23%.

Tim is married with three children and enjoys being outdoors, golf, conversation, good wine, and watching Liverpool Football Club win. In his role as the Director of the Center for Leadership, it's Tim's vision to help leaders realize their full potential to make a positive difference in the modern world. He believes that everyone is capable of being a leader in their own right - sometimes they just need a little nudge to get them there.

LETTER FROM THE CHAIR

This year the Rising Professionals of Beloit celebrated their 8th anniversary!

For the past 8 years, the Rising Professionals of Beloit have been fulfilling their mission of empowering, engaging, and connecting rising individuals in the community by promoting the Beloit region as an enjoyable and vibrant place to live, work and experience life. The RP's help bridge the gap by promoting opportunities to network and give back to the Beloit community.

In 2022, The Rising Professionals Board welcomed a new Chair, Vice Chair, Treasurer, Professional Development Committee Chair, and Marketing Committee Chair, along with new board members who bring new ideas, passion, and dedication. Our Events Committee was also formed.

The RP Committees continuously plan Professional Development (PD) events, coffee hours, and socials throughout each month to help the rising professionals network, promote businesses, and share volunteer opportunities in the community. We had 9 PD events, 6 coffee hours, 5 socials – 2 of them we partnered with Join Janesville and Kerry, our RP Week in June had 6 events, and our Breakfast with the Big Cheese was a sell out in November. The Membership committee has been hard at work in recruiting new members. As of 2022, there are 100+ RP members!

The RP's will continue to make an impact by empowering, engaging, and connecting young professionals in the thriving Beloit community!

Sincerely,
Diana Montes

LETTER FROM THE CHAIR & TREASURER, KRISTI AMENDA

This year the Ambassadors have so many things to celebrate! Here are just a few things, that we are all so proud of.

After coming out of the 2021 year of COVID-19, we were able to join 14 ribbon cuttings, with attendance increasing each time. It's so nice to attend these events and see all of the support in red.

The Ambassadors were able to supply \$500 grant funds to these four fantastic organizations. This money will help them continue to accomplish their goals and support their missions.

1. Beloit Meals on Wheels
2. Humane Society of Southern Wisconsin
3. KANDU Industries, and last but not least
4. Family Promise of Greater Beloit

We had numerous new Ambassador's join us this year. We started our year with 39 Ambassador's and as of December, we now have 53 Ambassadors and continue to grow. It is wonderful to have so many community members that believe in and support the Chamber's purpose and volunteer their time attending meetings, spreading the word and assisting at chamber events. I look forward to seeing what we do in 2023!

Sincerely,
Kristi Amenda
