LETTER FROM THE BOARD CHAIR

Dear Fellow Greater Beloit Chamber of Commerce Members –

Resiliency has been the foundation of 2022 for the Greater Beloit Chamber of Commerce and its members. After nearly two years of uncertainty, the Chamber and our membership has been able to look ahead to a year of renewed confidence and purpose. But what we learned, of course, was that the “new normal” will continue to challenge us in new ways, with supply chain issues and labor shortages, among others, becoming the latest obstacles our members were challenged to overcome.

Yet, despite these new challenges, the Chamber’s membership retention rate was 95%, proving again that business leaders in our community confront these obstacles with a passion to win. You’re not in it to survive. But rather it’s about thriving.

The strength of the GBCC is its diversity in membership. Indeed, 59% of the membership roster is made up of small businesses with fewer than 50 employees. Businesses operating in multiple industries, with opportunities to share leading practices and perspectives. It’s truly an exciting time to be a member.

And it doesn’t end with our many established businesses and veteran business leaders. Your Chamber boasts a heralded Rising Professionals membership that now numbers 130 future leaders, entrepreneurs, and future community pillars. The RP program’s mission is to “...serve as a catalyst for promoting the Beloit Region as an enjoyable and vibrant place for young professionals to live, work, and experience life, ultimately encouraging talent retention...” The RP events are well-attended and an amazing asset to those who choose to engage.

Additionally, the Chamber-led business and networking events saw participation from more than 1,500 attendees in 2022, leveraging the unique makeup of the Chamber’s membership. These events range from Business After Hours, to tasting local fare at the Taste of the Chamber and, of course, the perennially sold-out Greater Beloit Chamber Golf Classic. There is something for everyone.

Another wonderful benefit of membership is the digital media presence the GBCC maintains. In 2022, this included more than 53,000 GBCC page views, over 1,800 digital e-newsletter subscribers, and more than 2,000 likes across various Facebook posts. All of which are for the benefit on our members. And this doesn’t even begin to touch on the “hands on” events like ribbon cuttings, and those of the GBCC Ambassador program.

Therein lies the power of the Greater Beloit Chamber of Commerce. A unique combination of membership diversity, future leaders, unique networking opportunities, and advocacy. 96 years of service and still going strong. There’s power in engagement and I encourage you all to take advantage of that power in 2023.

LETTER FROM PRESIDENT & CEO

Dear Greater Beloit Chamber of Commerce Members:

As I paused to write this opening note to you, our valued members, I was struck by how remarkably different in tone it would be in comparison to the last welcome letter drafted in early 2022. Not very long ago, we were celebrating making it through two years of global strife

and uncertainty. We were thankful for the innovative and creative work on the part of our dedicated members, staff, and board, who made 2021 a year to remember despite having just weathered COVID and the rebuilding process that followed for so many.

Today, as we make our way into 2023, I feel incredibly fortunate to be reflecting on the astonishing progress achieved to date—both the innovative projects that came to life in our community and our organization in 2022, and the diversity, camaraderie, and community spirit that made it all possible.

We could not accomplish any of this without YOU—our 375 investor businesses, who inspire us to live our mission of advocating for your success through engagement, support, referrals, and mutual growth. With a member retention rate of 94.7%, our partnership is stronger than ever, which means our ability to continue to develop our region in tandem is formidable. Thank you to our growth-minded board representing business of all sizes and types, to our 50 Ambassadors with more than 750 years of experience that our members can tap into at any moment, and to our 130-and-growing Rising Professionals members who support one another as they develop into our future leaders.

Serving you and representing your interests is an honor and a privilege that we never take for granted. Our gratitude runs deep for your membership, sponsorships, event attendance, the advertising support that makes our publications possible, your unceasing advocacy and volunteerism, and the joyful spirit you bring to our events and initiatives.

The Greater Beloit community is truly one of the best places to work, live, and play. Thank you for joining together with us and continually working so hard to make it so. Cheers to the beginning of a historic 2023, filled with programming and events designed to continue our forward trajectory as we advocate for your success. We cannot wait to work and grow together once again!

Best,
