GREATER BELOIT CHAMBER OF COMMERCE LETTER FROM 2023 BOARD CHAIR

Dear fellow Greater Beloit Chamber of Commerce members,

It can be hard to summarize an entire year in just a few words. I want to start by thanking our past chair, Danny Sawyer. He was a great advocate for the GBCC and our community and had a big part in our success last year.

The GBCC continues to grow and adapt to help serve our members and make a positive impact in the community. We moved into new offices at the Ironworks Campus. We started a new program series—"Beyond Breakfast"—which allowed members to discuss issues facing our community with local, state, and federal leaders. Also, our community was excited to welcome the crew of the USS

Beloit to visit and learn about the ship's namesake.

The GBCC is a member-driven organization, and we continue to grow and adapt on that front as well. Last year, we added 30 new members to the chamber, increased the newsletter circulation by 500 individuals, and our member retention rate of 90% is well above the national average. Those numbers are no doubt thanks in large part to our staff, our amazing Ambassadors, and more than 100 Rising Professionals that help promote all that the GBCC and Beloit have to offer.

Our chamber events are a great opportunity to meet and network with other members, and also celebrate the greater-Beloit area. GBCC events had over 1,500 attendees last year, including a sold-out Chamber Golf Classic, more the 500 attendees at last year's annual dinner, and a jam-packed Taste of the Chamber.

But the GBCC isn't just about fun events. The Chamber also works closely with area schools on apprenticeships, mock interviews, career fairs, and countless other opportunities to help meet our workforce needs and prepare the next generation of community leaders.

Finally, we could not do any of this without our fantastic staff. Aimee Thurner, Kelly Bosen, and Madysen Wade keep the GBCC running and always put our members and our community first. They continue to innovate and look for new ways to make the GBCC better. Thank you for all that you do.

Sincerely,
Micheal Hahn
Board Chair

2023 FAST FACTS

2 We created five individualized Influential Partner Feature Stories highlighting the businesses of our top supporters.

4 The GBCC will mark its 97th year in 2024!

GREATER BELOIT CHAMBER OF COMMERCE LETTER FROM PRESIDENT & CEO

Dear Members

As we reflect upon the closing year, it is with immense pride and gratitude that I present this annual report for 2023. The past year has been a remarkable journey for our chamber, and I am pleased to share the highlights of our collective achievements and milestones.

I would like to extend my sincere appreciation to our dedicated staff, volunteers, board, committees, and community partners, for their unwavering support throughout the year. Together, we have achieved significant strides in engaging with our member businesses, promoting business growth, and enhancing our community.

Our chamber's success is fundamentally rooted in the strength of our membership. I extend heartfelt gratitude to each member for their active participation, collaborative spirit, and commitment to the prosperity of our business community. Your engagement has been instrumental in making 2023 a year of growth and achievement.

As we embrace the opportunities that lie ahead, our chamber will remain committed to serving our members and the Greater Beloit Community. As we begin our strategic planning work in March, we will continue to prioritize your needs in our initiatives.

Thank you for your continued commitment to the Greater Beloit Chamber of Commerce and I look forward to the continued collaboration and success that the coming year holds for us.

Sincerely,
Aimee Thurner
President and CEO

Madysen Wade

Kelly Bosen

We increased our newsletter audience by nearly 500 people in 2023.

The GBCC held 33 member events and trainings with over 1500 attendees.

The GBCC ended 2023 with 368 supported businesses and welcomed 30 new businesses to engage with our amazing community.

The Ambassadors gave away an additional grant, totaling \$2500 being gifted to five non-profits in our area.

In 2023 we wrapped up our final year of co-hosting the Women in Business event.

We have set the stage for a highly anticipated new event in 2024, the Ignite Business Summit.

LETTER FROM THE CHAIR

This past year has been filled with dedication, community engagement, and growth.

In 2023, the Rising Professionals were not mere observers but active participants in the vibrant tapestry of our community. We took our mission to heart, immersing ourselves in the pulse of Beloit through numerous community events. The bustling atmosphere of the Beloit Farmers Market and the Beloit College Fair provided an excellent platform to connect with our neighbors and share our passion.

Over the course of the year, the RP's hosted 22 events which included Professional Development events, coffee hours, and socials, along with an extravagant RP week, and Breakfast with the Big Cheese event. Our members can come to our events and learn from various leaders in our community, have fun, and learn about various organizations in our community.

One particularly exciting aspect of our journey was the remarkable growth of our podcast, Beyond the Resume. This dynamic platform has become a powerful tool for communication, allowing us to share insights, stories, and expertise with a wider audience. The fact that our podcast is expanding is not just a measure of success but a testament to the thirst for knowledge and connection within our community.

The RP's show unwavering commitment and tireless efforts. Together, we have proven that by staying engaged, proactive, and connected, we can elevate our community and build a future filled with promise and opportunity.

Sincerely,
Diana Montes

LETTER FROM THE AMBASSADOR CHAIR

We have an amazing group of Ambassadors that we can count on to step up and support the Chamber in all functions and it was a pleasure serving as Chair for the Ambassadors group in 2023. During the year we had an outstanding attendance at scheduled Ribbon Cuttings to welcome new businesses. We always enjoyed the Business after Hours Events; as it gave us the opportunity to meet and network with business owners in the Greater Beloit area. The Ambassadors supported three successful Chamber events: the Golf Outing, Taste of Chamber and Annual Dinner. The Ambassadors also supported five outstanding local organizations each receiving a \$500 grant, these funds will help them continue to provide great service in the Greater Beloit area.

1. Nature at the Confluence
2. Caritas
3. Humane Society of Southern Wisconsin
4. Kandu Industries
5. Meals on Wheels

Looking back at 2023, I would like to thank all the Ambassadors for the support given to me as the Chair and looking forward to a successful 2024.

Sincerely,
Chuck Wilson
